

S FEM SERUM

S FEM SERUM allows skin to be firm more effectively through a special liquid formula in the form of a Nano spray. Formulated with plant extracts Guarana, Ivy leaf and Sunflower Seed Oil to target areas particularly prone to sagging: the arms, thighs, stomach and waist.

S FEM SERUM helps give you a tighter shape by contouring those stubborn curves all while keeping your skin firm.

Main Active Ingredients

Guarana Extract

- Guarana is a Brazilian plant native to the Amazon basin. Has natural caffeine and strong antioxidant properties.
- Minimize undesirable features, such as saggy skin and wrinkles.
- Anti-inflammatory or calming effect on skin.
- Fight against cellulites.

Ivy Leaf Extract

- Slimming and anti-cellulite effect, it helps prevent water accumulation in the skin.
- Hydrating the skin and relieving irritation.
- Antioxidants and anti-inflammatory substances.
- Tightens the skin and eliminates edema.

Sunflower Seed Oil

- High in vitamin E.
- Traps moisture and keeps skin well hydrated.
- Reducing signs of skin stress or irritation.
- Gentle, calming properties

Rapeseed Extract

- Helps your skin to stay elastic and healthier.
- Keep the skin supple and smooth.
- It is capable of capturing and retaining water efficiently.
- Non-greasy and fast absorbing.
